EXPERIENCE LETTER

This is to certify that Rishit Saiya has worked with our organization as a Cyber Security Intern from 18/12/2020 till 28/06/2021. Rishit was deployed for the Red Team projects and has actively worked on finding potential threats and securing organizations during his tenure.

He has been a resourceful candidate to us and we have found him to be really honest and sincere with his work and completing the assigned tasks on time and effectively. He carries a good knowledge and is very hard working.

CyberSapiens United LLP has no objection to allow him in any better opportunities and holds no liabilities with us.

We wish you a good luck in your future endeavours.
